CPS Autumn Home Learning Grid
Year 3 – Where we all began…

Daily: Reading	Weekly: TT Rockstars and Home Learning Grid

English
Imagine you were a child of the Stone age. Write a diary entry about what happened that week? What did you do? See? Smell? Eat?

English
Find out about the historic settlement of Skara Brae, then use what you learn to write a newspaper report about its discovery.

English
Imagine you could go back in time to the prehistoric period. You can take one piece of technology with you – write an explanation about what would you take and why?

Creative
Create a Stone age quiz to test your friends and family. Who can get the best score?

Creative
Make up your own story to tell through pictures similar to prehistoric cave paintings – for an extra challenge try drawing/painting it with things you find in the natural world rather than pens and pencils!

Maths
Work out how many years ago the Stone, Bronze and Iron Ages were. Create a timeline to show how long ago it was

Research
Create a poster with your ten favourite Stone Age facts to present to your class.

History
Imagine you are an archaeologist. Place small objects in sand, soil or rice and ask someone to find them using a small brush (like a toothbrush or make up brush) or teaspoon. Ask someone to hide objects for you to find.

Science
Design and make your own model fossil. Take photographs to stick in your Home Learning book or bring it into school to share if you can!

Geography
Find out about the best places to build a settlement. Why have you chosen to live there?

Creative
Using a variety of materials create a small model of a Stone Age dwelling or monument, such as Stonehenge. (You could even build it out of biscuits - Yum!) Take photographs to stick in your home learning book.

Science
Find out about the diet of people who lived in the stone age – what did they eat? Then compare it to your diet – what are the similarities and differences?

Research
What are the key differences between the Stone, Bronze and Iron ages? Choose how to present this information to your teacher and class
